21st September 2020

Super Me!

What a great first couple of weeks we have had at school. The children have been settling in well and seemed to thoroughly enjoy having lunch in school last week! Our topic this half term is 'Super Me!' we hope that this will give us the chance to get to know more about each other and help us to find out about the children's interests. We will be busy painting self-portraits, decorating the initial letters of our names and exploring numbers. We will discuss our families, home and local community and we will look at similarities and differences between ourselves and others. Quite a few parents have asked me about what the classroom looks like at the minute. I have attached some photos below.

Other Information

- I will be holding a Reading and Phonics information session on Thursday 1st October at 5:30pm. The aim of this session is to give you more information about the phonics program we use in school and how you can further support your child with their learning of this at home. I will be sending out the zoom invitation later on this week.
- I have linked below a useful document for parents to read called 'What to Expect When'. This document contains information about the early years curriculum we teach in school and how to support your child at home.
https://www.foundationyears.org.uk/files/2015/03/4Children_ParentsGuide_2015_WEB.pdf
- Please remember the children have PE on Tuesdays and should come in their kits with their PE shoes in a clearly labelled bag.

Thank you!

A word of thanks to you for all you have done to help the children settle in at school. We have had a lovely time together so far and we look forward to getting to know all of the children further. If at any time you have a query or concern please do speak to one of us or email.

Miss Connor & Miss Banks
