

Killinghall CE Primary School

Unicorn Class Newsletter

5th October 2020

Updates

The children in Unicorn class have settled in well and have been enjoying coming into school, Miss Banks and I are so proud of how sensible and mature they have been during these strange times! In phonics children have started to learn set 1 phonics sounds and are beginning to blend some sounds together to make words. In literacy we have been focusing on writing our names, making sure the letters are in the right order and the right way round. In maths the children have been sorting and matching objects and then comparing amounts. As part of our wider curriculum work the children have been learning about primary colours and studied an artist, Piet Mondrian, who liked to use these colours in his paintings. We hope you like our art work.

Other Information

- Please remember that children have PE tomorrow and need to come into school with their PE kit and school shoes on with their PE shoes clearly labelled.
- Please note that all children have a school water bottle which is sent home on a Friday and returned on a Monday full. They do not need to bring any other water bottles to school.
- We have had a couple of cases of missing cardigans/jumpers/PE hoodies over the past couple of weeks. Please check that your child has all of the correct items and please make sure that the labels are still attached, it is very difficult for us to find missing items with no names on them.
- Thank you to everyone who completed the homework due last week, if you haven't completed it yet can you do so this week so that all children have had a chance to share their special day.

Thank you!

Thank you again for your support, if you have any questions about any aspect of school please do not hesitate to ask a member of staff.

Miss Connor & Miss Banks
