

Truffula Trees swaying gently in the soft, cool breeze.

Bar-ba-loots frisking playfully in the shade of the trees.

Grickle Grass gleaming brightly under the heat of the sun.

Swomee-Swans singing beautifully to their favourite song.

Hummingbird humming happily in the sparkling pond.

The Lorax relaxing in his wonderful home.

Factories clanking loudly as they work into the night.

Smoke churning gloomily and covering the sky.

The Onceler lurking creepily and watching what he's done.

The Lorax coughing sadly when he sees it all going wrong.

Gluppity-Glup bubbling viciously in the brown, murky pond.

Axes chopping angrily, so that the last tree is gone.
