

I'm not stealing, I'm just getting some food for my family! We need to eat, you know. We can't just go to the shops like humans so we have to get food from somewhere. I am a fox, it's my job! What do you expect?

I am sick of that dirty, sneaky fox always stealing my turkey and cider! He is a THIEF! All our hard work on the farm and he just comes and takes things. It's not fair!
