

Red

Draw tens and ones or use column method 😊

$$45 + 23 =$$

$$67 + 31 =$$

$$74 + 22 =$$

$$63 + 24 =$$

$$46 + 13 =$$

$$54 + 43 =$$

$$21 + 57 =$$

Amber

You might make an extra ten so be careful!

$$58 + 24 =$$

$$47 + 15 =$$

$$34 + 18 =$$

$$45 + 27 =$$

$$56 + 36 =$$

$$58 + 35 =$$

$$49 + 27 =$$

Green

Real life Maths. Remember to underline the key numbers and turn the words into a number sentence. Then USE YOUR METHODS!

1. Miss Daniel scores 32 points on a game. Miss Richardson scores 43 points. How many points do they score altogether?
2. At the shop, I buy a drink for 52p and a pack of sweets for 32p. How much does it cost altogether?
3. Joe has 25 stickers. Ronnie has 37 more than Joe. How many stickers does Ronnie have?
4. Ella's tower is 64cm tall. Kat makes a tower 27cm taller than Ella's. How tall is Kat's tower?

GO!

Can you write some of your own word problems for adding up two numbers? You might want to use these words: more bigger taller altogether
