What do these clues tell us about Tuffy?

1. I don't know why they bother to keep a cat, since all they ever seem to do is complain.
2. I find that man quite rude.
3. If I want to watch a little birdy's funeral, I'll watch it.

# Here's what I think...

**I don't know why they bother to keep a cat, since all they ever seem to do is complain.**

**Tuffy feels like the family don't really like him that much. It probably makes him a bit sad. I bet that's why he acts like he doesn't really care!**

# Here's what I think...

**I find that man quite rude.**

**Uh oh! It looks like Tuffy doesn't get on very well with the dad in the family!**

# Here's what I think...

**If I want to watch a little birdy's funeral, I'll watch it.**

**Tuffy does whatever he wants to and he doesn't follow the rules. I bet he doesn't like being told what to do.**

# Describing Tuffy

Our job now is to write a little description of Tuffy, using what we have learned about him so far.

I'd like you to try and use the word **because** to back up your answers. Let's practise. Can you try to finish these sentences for me:

**I think Tuffy is very rude because...**

**Tuffy doesn't like the dad because...**

**He is a very sneaky character because...**

# Your Task

Write a description of Tuffy and his characteristics. Say what kind of person he is, then use the word 'because' to tell me how you know. You can use the sentence starters at the bottom.

**Red** – Say what Tuffy looks like and what kind of person he is.

**Amber** – Use the word 'because' to explain why you think that.

**Green** – Use speech marks if you put in a quote from the book.

You could finish by drawing Tuffy if you like!

## Tuffy

Tuffy is a very sneaky cat because he likes to catch other animals. He doesn't really like dad because he says he thinks is quite rude.

Tuffy is... I think... He is... He likes...
