LO: To add two-digit numbers

**Success Criteria:**

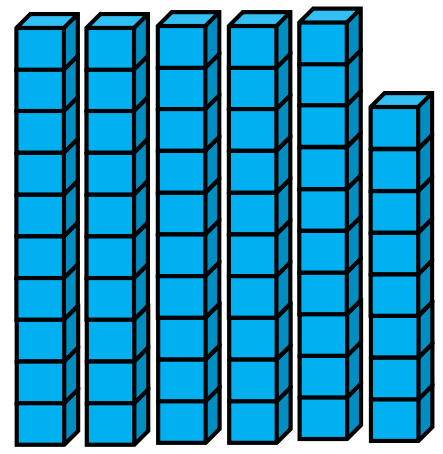

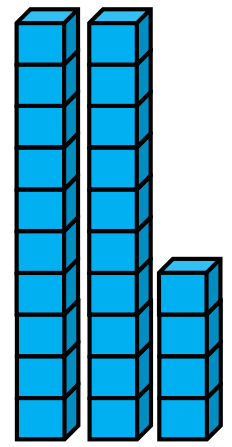

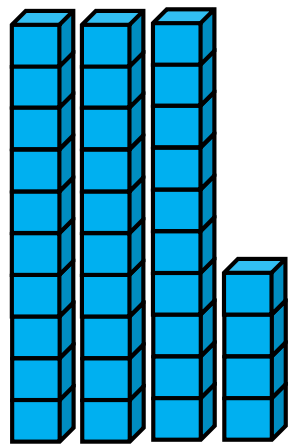

- I can use my knowledge of number bonds to 10
- I can add tens
- I can add ones

Click for answer.

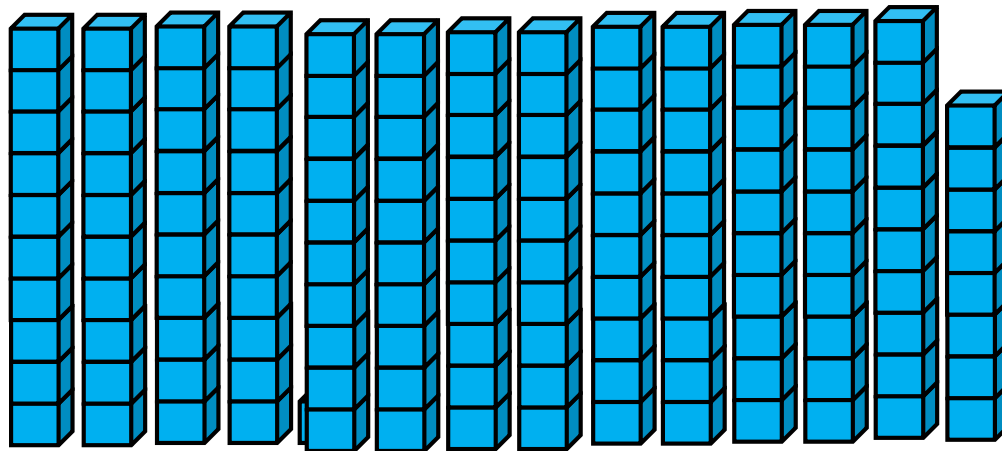

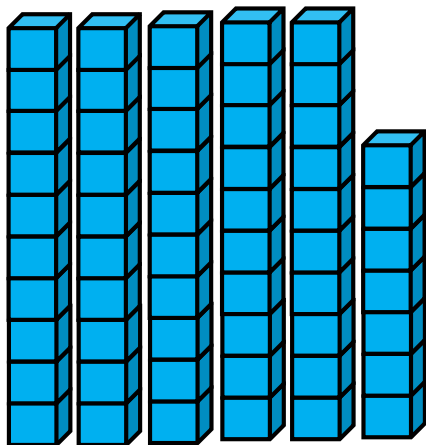

$$61 + 17 = 78$$

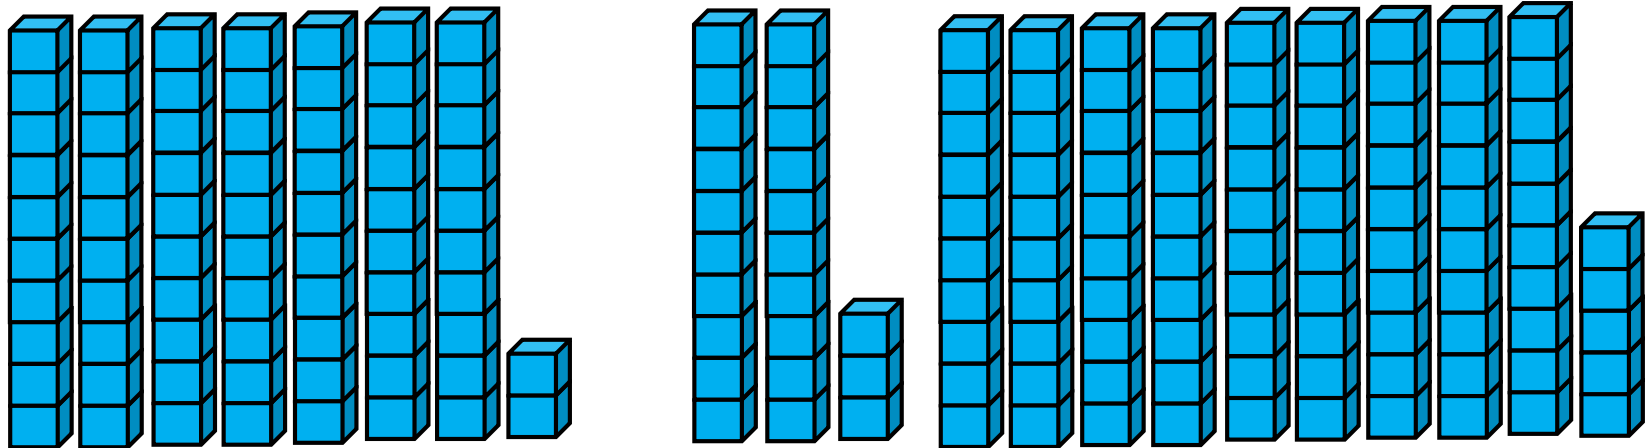

$$34 + 24 = 58$$

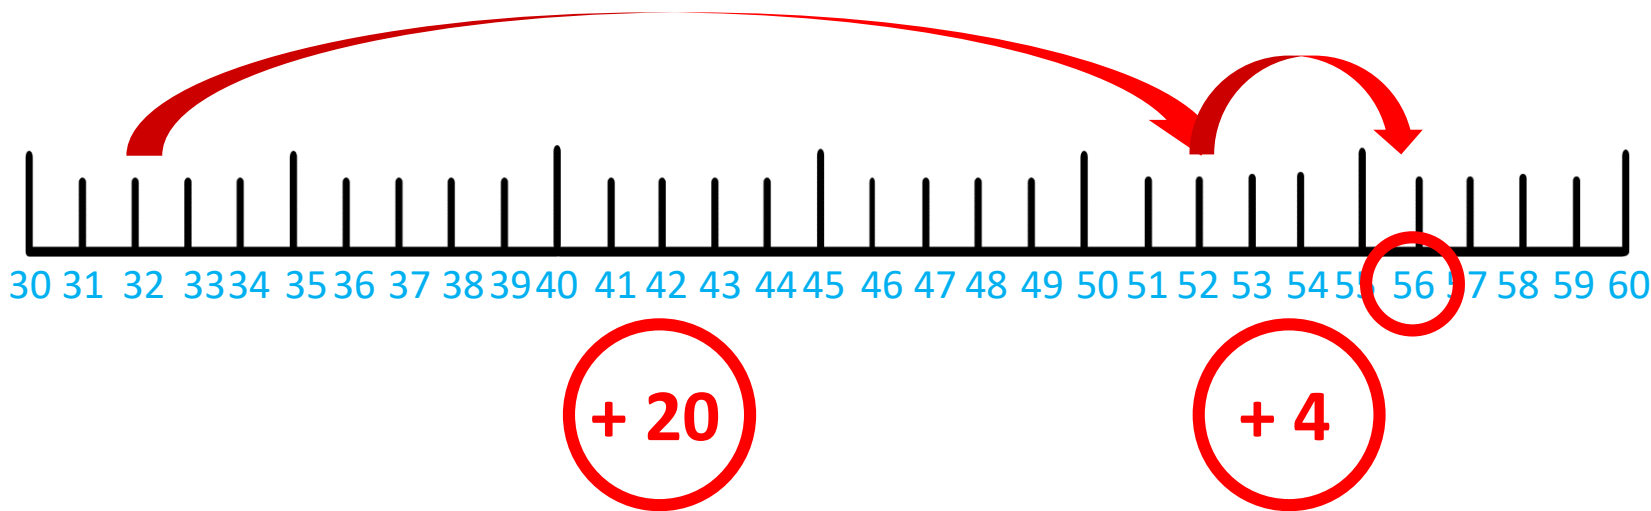

$$57 + 41 = 98$$

$$72 + 23 = 95$$

$$32 + 24 = 56$$

Use the number line sheets provided to work out the problem below:

$$45 + 32 = 77$$

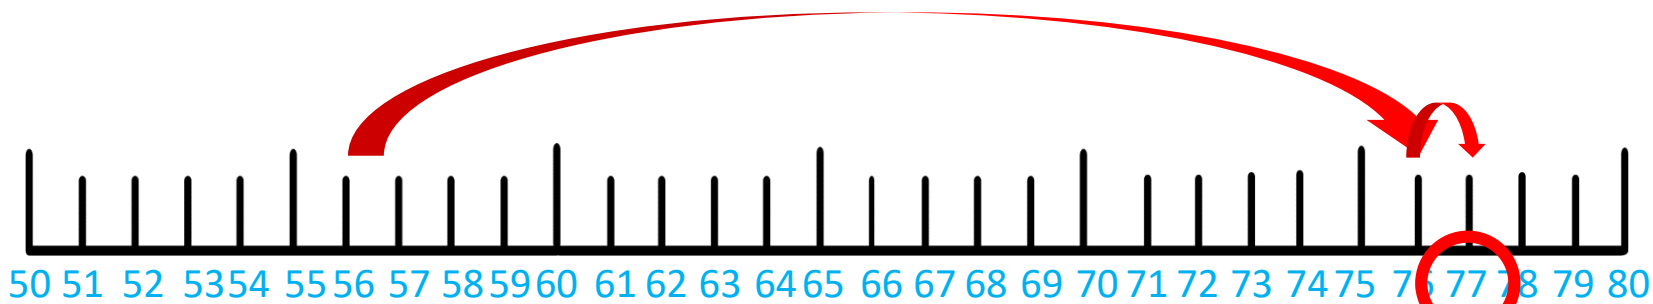

56

+

21

=

77

+ 20

+ 1

$$72 + 26 = 98$$
