

# Geography in Year 3

## Focus: Killinghall

- I can use maps to explain how Killinghall has changed over time.
- I can observe, measure, record and present physical and human features of Killinghall.
- I can use simple alpha-numerical grid references to locate features in Killinghall.
- I can make simple sketch maps of the area.

## Focus: Continents and Oceans

- I can name and locate the continents and oceans on a world map.
- I understand the differing climate zones within continents.

## Focus: Mountains, Volcanoes and Earthquakes

- I can explain what a mountain, volcano and earthquake is.
- I can describe how volcanoes are formed and why they erupt.
- I can explain why earthquakes occur.
- I can explain the impact that Mountains, Volcanoes and Earthquakes have on the local residents.

## Focus: Geographical Skills

- I understand the difference between classifications of land-use, such as retail, services, residential, community and religious.
- I can cross references historical and current maps to see how land-use has changed over time, and creating simple sketch maps of my own.
- I can use simple ordinance survey symbols and keys to build knowledge.
- I can ask geographical questions to build knowledge about an area.
