

Computing in Year 3

Focus: Comic Creation

- I can add, resize and organise colour or picture backgrounds.
- I can add narration using text and direct speech using speech bubbles.

Focus: Digital Art

- I can use various lines and fill tools plus copy/paste and rotation to create pattern effects.
- I can use stamps, copy/paste, layers and multiple frames to create animated GIF computer graphics.

Focus: Programming in Scratch

- I can design, write and debug programs that accomplish specific goals (including outputs).
- I can write programs to simulate physical systems.

Focus: Music Creation

- I can Create ascending and descending scales, adding chords, arpeggios and melodies evenly across the scales.
- I can use sampled sounds to create an effective mix.

Focus: Programming in Kodu

- I can create a 3D programme using various design tools.

Focus: Document Editing and Creation

- I can Copy and Paste text and images.
- I can format text for a purpose.

Focus: Game Creation

- I can design and add backgrounds, characters, objects and platforms.
- I can create an app store listing with icon, effective description and screenshots.

Focus: 3D Design

- I can re-create or design familiar 3D models.
- I can use chisel tool to improve and adapt models.

Focus: E-Safety

- I can use technology safely, respectfully and responsibly.
- I can identify a range of ways to report concerns about content and contact.
