Special Meals: On days where school is providing a special meal, such as Christmas Lunch, Harvest Lunch, Bonfire Lunch etc... this will be the only option available (this means there will be no sandwich or jacket potato options on these days). If your child has school lunches, they will automatically be served the special meal. For packed lunch children, we will ask you to opt in/out for any special meals.

Milk: Milk is served each morning break via the Cool Milk Scheme. This is free for all children in our Reception Class. For other children, parents must sign up to the Cool Milk Scheme. Further information on how to apply is available from the school office.

Tuck Shop: A healthy school tuck shop, meeting School Food Standards, runs every Tuesday for all children from Year One upwards. Reception children are provided with fruit/vegetable snacks each day.

Allergies: *It is very important you let us know of any food allergies your child may have. For example, our baked in-house bread contains egg and dairy products but we can provide alternatives.*
