Dear Parents,

## Well Being Month

Our month of activities has continued each day this week – it is lovely to see the children engaging with the sessions especially the meditation and breathing, the calmness in the classrooms during these is lovely. Please chat to the children at home about the activities as this will also support their wellbeing.

## World Earth Day

Well done to Eco Committee who led our special worship on Thursday to start our 'Earth Day'. All the children were very engaged in writing their 100 persuasive words as to why global education is important.

Year 6 were then very excited to receive a letter from 10 Downing Street in response to their letters from the autumn term. Mr Johnson's communication officer advised them that 'he agrees with them that climate change is an important matter' and commented that 'It is really encouraging to see young people like yourselves thinking hard about the future of the planet.' Earlier in the week they had also received a letter from our local MP, Andrew Jones, who has offered to come in to school to talk to them about their ideas regarding global initiatives.

## Fun Outdoors

The sunshine has really helped everyone this week and there has been lots of fun outside:

## Water Bottles

Payment for school water bottles must now be made via parent pay please. If you look under your account, water bottle is listed at £1.50. If your child needs a new bottle please purchase on parent pay then email admin to say you have bought a bottle, your child's name, class and bottle colour

## Reminder - Sponsored 'Race for Life' Walk

The whole school will be taking part in our sponsored walk on Friday 7<sup>th</sup> May (weather permitting). Different age groups will have appropriate lengths to walk, with Upper KS2 walking the Ripley 5km circuit, the walks will be spread out over the day. This will replace our usual 'Race for Life'. We have set up a fundraising page:

Please support the children and this wonderful cause by sponsoring the children with donations and messages of support. Thanks.

## PTA

The PTA AGM took place on Monday. Thank you to those who will stand as committee members. Various events are planned for this term, further information will be available soon.

We do need more committee members and parent volunteers please. If anyone is interested in supporting the PTA please email Mandy at:

Take care and stay safe.

Best wishes

Mrs Sarah Bassitt
