Elmer & Dotty Story

Elmer's Adventures

Once upon a time Elmer was bored of just being rainbow and wandered off away from the herd but in the corner of his eye he saw a stone tablet. Then he goes to read it the stone said there was a mythical magic apple. His mummy tells him part of the forest is restricted.

Elmer thought that the part his Mum was talking about was the part with the apple in. He wanders deep into the dark and haunted forest and soon gets lost. Through a gap in the trees he sees a very shiny apple. He walks towards the apple, wondering what could make an apple so shiny? Then he picks the shiny apple with his trunk and eats it and all his rainbow spots home patterns or dots, stars, squiggles, dots and lines the end.
