

Homework - Autumn term 2020

Aims

Through this agreement we aim to:

- Ensure that parents are clear about what their child is expected to do.
- Ensure consistency of approach throughout the school.
- To use homework as a tool to help continue to raise standards of attainment.
- Improve the quality of the learning experience offered to pupils and to extend it beyond the classroom environment.
- Provide opportunities for parents, children and the school to work together in partnership in relation to children's learning.
- Encourage pupils and their parents to share and enjoy learning experiences.
- Reinforce work covered in class by providing further opportunities for individual learning.
- To practise or consolidate basic skills and knowledge, especially in Numeracy and Literacy.
- Encourage children to develop the responsibility, confidence and self-discipline needed to study independently.
- To prepare Year 6 pupils for the transfer to secondary school.

Homework can be set in many different forms with many different expectations and outcomes. It is important to remember that there are a number of points to consider:-

- ✓ The nature and type of homework changes throughout a pupils school career.
- ✓ Amount and frequency of homework should increase as a pupil gets older.
- ✓ Homework should not cause undue stress on the pupil, family or the teacher.
- ✓ It will not necessarily come in the form of a written task.
- ✓ Homework should be set regularly and consistently.

Recommended Time Allocation

EYFS a few minutes each night

Years 1 and 2 - 45 minutes per week, to include reading each night.

Years 3 and 4 - 1 hour per week plus spellings, reading and maths practice.

Years 5 and 6 - 1.5 hours per week plus spellings, reading and maths practice.

In KS1 and KS2 children will receive Maths, Literacy or a Personalised Learning Challenge (reading, spellings and maths facts will also need to be done). Once every three weeks children in KS2 along with Yr2 will also be set weekend diary entry homework. Homework will be placed on the website each Monday.

The Personalised Learning Challenges are an inclusive form of homework which develops creative, presentational and information finding skills. The children will record their own responses to the learning challenges set by teachers in their own individual and often unique way. Activities are intended to be open ended, allowing the children to make their own decisions on how to collect, record and present their homework. To make it simpler for the children and parents we set dates for homework. Monday is the day to remember, as homework is set and due in on Mondays. Maths and literacy homework is due in the following Monday, Personalised learning challenges are given a three week time period.

The following is the homework timetable for this term for children from Yr1 to Yr6:

Date	
Mon 14 th September	Literacy
Monday 21 st September	Maths
Monday 28 th September	Personalised Learning Challenge & Diary
Monday 5 th October	Literacy
Monday 12 th October	Maths
Tuesday 19 th October	Personalised Learning Challenge & Diary
Half Term	Diary entries
Monday 2 nd November	Literacy
Monday 9 th November	Maths
Monday 16 th November	Personalised Learning Challenge & Diary
