

Mamma Mia

I have a dream

I have a dream, a song to sing.
To help me cope, with anything.
If you see the wonder, of a fairy tale
You can take the future, even if you fail.
I'll cross the stream, I have a dream.
I'll cross the stream, I have a dream.

Mamma Mia

I was cheated by you and I think you know when,
So I made up my mind, it must come to an end.
Look at me now, will I ever learn?
I don't know how, but I suddenly lose control,
There's a fire within my soul.
Just one look and I can hear a bell ring,
One more look and I forget everything. Woh, woh
Mamma Mia, here I go again, my, my how can I resist ya?
Mamma Mia, does it show again, my, my just how much I've missed ya?
Yes, I've been broken hearted, Blue since the day we parted.
Why, why, did I ever let you go.
Mamma Mia, now I really know, my, my I should not have let you go.

SOS

Where are those happy days, they seem so hard to find?
I try to reach for you, but you have closed your mind.
Whatever happened to our love, I wish I understood,
It used to be so nice, it used to be so good.

So when you near me darling can't you hear me SOS.

The love you gave me nothing else can save me SOS.

When your gone, how can I even try to go on.

When you're gone, though I try how can I carry on.

Take a Chance on Me

If you change your mind I'm the first in line,

Honey I'm still free, take a chance on me.

If you need me let me know? Gonna be around,

If you've got no place to go, if you're feeling down.

If you're all alone, when the pretty birds have flown,

Honey I'm still free, take a chance on me.

Gonna do my very best and it ain't no lie,

If you put me to the test, if you let me try.

Take a chance on me. Take a chance on me.

Ah, we can go dancing, we can go walking,

As long as we're together [long as we're together]

Listen to some music, may be just talking,

You'd get to know me better [Get to know be better]

Cuz you know I've got, so much that I wanna do,

When I dream I'm alone with you, its magic.

You want me to leave it there, afraid of a love affair

But I think you know, that I want you so.

If you change your mind, I'm the first in line,

Honey I'm still free, take a chance on me.

If you need me let me now, gonna be around.

If you've got no place to go, if you're feeling down.

If you're all alone, when the pretty birds have flown,

Honey I'm still free, take a chance on me.
Gonna do my very best and it ain't no lie,
If you put me to the test, if you let me try.
Take a chance on me, take a chance on me.

Thank You For The Music

Thank you for the music, the songs I'm singing,
Thanks for all the joy they're bringing.
Who can live without it, I ask in all honesty,
What would life be?
Without a song or dance, what are we?
So I say thank you for the music, for giving it to me.
I've been so lucky, I am the girl with golden hair,
I want to sing it out to everybody,
What a joy, what a life, what a chance!
So I say, thank you for the music, the songs I'm singing,
Thanks for all the joy they're bringing.
Who can live without it, I ask in all honesty,
What would life be?
Without a song or dance, what are we?
So I say, thank you for the music, for giving it to me.
So I say thank you for the music, for giving it to me.

Dancing Queen

Oo, you can dance, you can jive
Having the time of your life, Oo
See that girl, watch that scene, diggin' the dancing queen.

Friday night and the lights are low,

Looking out for a place to go.

Where they play the right music, getting in the swing

You've come to look for a king.

Anybody could be that guy. Night is young and the music's high.

With a bit of rock music, everything is fine, you're in the mood for a dance.

And when you get the chance.

You are the dancing queen, young and sweet only seventeen.

Dancing Queen, feel the beat from the tambourine, oh yeah.

You can dance, you can jive, having the time of your life.

Oo, See that girl, watch that scene, diggin' the dancing queen.

Diggin' the dancing queen

See that girl, watch that scene, diggin' the dancing queen.

Oh yeah! And I have met my destiny in quite a similar way.
